[ABOUT THE COCKY COLLECTIVE](#)

**'Cocktales' is a limited-release anthology (available **\*only\*** from May 26 – August 26, 2018) of original, never before published material, some of which is raw and unedited. Each story was specifically written for this anthology.**

The goal of the Cocktales Anthology is to raise funds to fight against obstruction of creative expression. Specifically, what we believe are obstruction attempts through the trademarking of common (single) words for titular use in books / or as a book series (eBooks, print, and audio).

**\*ALL\* net profits will be donated to:**

- 1) Authors already impacted by creative-obstruction (10%), and
- 2) Romance Writers of America (RWA) (90%) as a general donation intended for their Advocacy Fund.

*Disclaimer: This anthology is not being conducted on behalf of RWA, nor does RWA endorse this anthology or effort. They have, however, graciously agreed to accept the funds.*

THURS 10:35

My cocky story - I came late to the series because I had read another author's cocky titled book and HATED it. I always try to finish a book I start, but this "cocky" story was a rare did not finish book. I assumed the book was part of the series and didn't look further that the authors were different. Another authors fb page was talking about series they were reading to fill in while waiting for a new book and your series came up. I said how much I hated the one cocky book I read and the comments were I must have read a different author and to give "you" another chance with Cocky Roommate. Jake and Drew won me over and I quickly caught up with the brothers. You had just released Ethan's story and I joined the cocky family fb page and became a part of the family. So happy another family member on another fb group encouraged me to try again.

You accepted Alicia's request.

Well that's the most amazing story - and what a journey to get here. I'm so glad they told you that book wasn't from my series. And that your speaking up about it brought you to the family.

Thank you Alicia. Truly. I am so happy you found me and feel it's good enough to stick around for despite how many books there are. One could get tired so it means a lot that your attention has been held, and that you've been entertained.

Have a wonderful weekend, love. More are coming!

 I am so sorry I shared the link for Cocky Chef. You are right the reason I read it was due to your hard work. So sorry

You accepted Janet's request.

You are now connected on Messenger.

Hi Faleena! I just figured out how to return the book and it has been removed from my kindle. So now I can buy it when you give us the go ahead.

Oh good - that's what I was going to suggest

Yay!
